Are you looking to be pampered while receiving state-of-the-art comprehensive cosmetic family dentistry? Diamond Dentistry has reinvented the dental experience. From the latest technology in cosmetic dentistry to the most opulent amenities in patient comfort, Dr. Peoples and Dr. Castleberry have created an environment that will make your next dental visit a relaxing and pampering treat!

Considering dental appointments are often stressful times, you will enjoy feeling relaxed at Diamond Dentistry. Our comprehensive approach to meeting the patients' needs extends well beyond quality restoration, state-of-the-art technology and "Hollywood smiles." Specializing in cosmetic dentistry, Dr. Peoples and Dr. Castleberry's patients are diverse and include some of Houston's finest professional athletes, news anchors and business professionals.

Dr. Castleberry served as a Naval Dentist with the United States Marines Special Operations Command. Known for the personalized and gentle attention given to his patients, he quickly

Dr. Kruger Peoples, left, and Dr. Darrick Castleberry

earned the nickname "Painless" from his fellow servicemen. Dr. Castleberry was the recipient of numerous military awards, medals and ribbons. He completed his military career achieving the rank of Lieutenant Commander.

After graduating with honors from Meharry Medical College School of Dentistry, Dr. Peoples returned to Houston to enter into private practice. He is a member of several national and local dental organizations and prides himself on his knowledge and experience using cutting-edge technologies. A trained perfectionist, Dr. Peoples is passionate about dentistry and believes "creating healthy new smiles changes lives by improving patients' confidence and self-esteem."

Need to visit the dentist? Try Diamond Dentistry. Dr. Castleberry and Dr. Peoples have been creating elegant solutions to cosmetic dentistry for more than 32 years. We look forward to serving you!
