Diamond Dentistry has reinvented the dental experience. State-of-the-art equipment coupled with the latest technology and the most opulent amenities are awaiting patients looking for a pampered visit. With an emphasis on relaxation, Diamond Dentistry offers a comprehensive dental evaluation to create beautiful "Hollywood smiles."

Specializing in cosmetic dentistry, Dr. Peoples and Dr. Castleberry's patients include some of Houston's finest professional athletes, news anchors and business professionals seeking quality dental care. Each team member has the same goal – to create elegant, beautiful and vibrant smiles. By offering a peaceful atmosphere and patient comfort, the staff at Diamond Dentistry feels every client can benefit from their services. Oral sedatives and nitrous oxide are offered to those who suffer from dental phobia along with personable attention from their experienced staff.

After graduating with honors from Meharry Medical College

School of Dentistry, Dr. Peoples returned to Houston to begin his career. He is passionate about dentistry and believes "creating healthy new smiles changes lives by improving patients' confidence and self-esteem."

Dr. Castleberry served as a naval dentist with the United States Marines Special Operations Command. Known for the personalized and gentle attention given to his patients, he quickly earned the nickname "Painless" from fellow servicemen.

Dr. Peoples and Dr. Castleberry have had intensive training at the world-renowned Las Vegas Institute for Advanced Dental Studies (LV), on how to evaluate, diagnose and treat restorative cases so that they will not only make patients look good, but feel good as well.

Diamond Dentistry has offered elegant solutions in cosmetic dentistry to Houstonians for more than 33 years.
